We were notified that Daniel Goh (NRIC G9378642A), a Singapore Citizen, was arrested by local police in Osaka, Japan on 27 Jan 2026 in connection with an alleged immigration offence. The next-of-kin contacted CRC requesting consular assistance and confirmation of welfare.

Tokyo consular team visited the detention facility in Osaka. Daniel Goh is in stable condition. We are arranging a list of local lawyers and have notified the family. A translator was engaged as the detainee has limited local language ability. We have coordinated with ICA on travel-document validity.
